Sir,

No.78 dated.6/7-8-1912, from the District Medical Officer, Shimoga District, to the Senior Surgeon with the Government of Mysore, Bangalore.

In submitting herewith in original correspondence ending with docket No.85 dated the 26th July last received from the President of Municiaplities, Shimoga District, I have the honor to state that the rent claimed is, no doubt, based upon the rates sanctioned by the Government, but in view of the insurmountable difficulty in getting a house for rent at Thirthahally, and the inconvenience that would be caused to the public if the Midwife is allowed to shift her residence to any village while her means are but too poor to pay rent at the revised scale of annas two per diem. I share the opinion of the Sub Assistant Surgeon, that as a special case the Midwife deserves some concession. I beg that you will kindly move the Government in the matter, and obtain orders, for the occupation, of the Musafirkhana by the Midwife, until she gets a house, at the rate of Re.1/- per month as per old scale.

The Sub Assistant Surgeon has in his earnestness, to support the really deserving case of the Midwife has reported in his communication that " highly paid officials, has occupied the Musafirkhana free of rent". I do not know how far this statement is correct, and feel sure that the President would institute enquiries into the matter. I am sorry that the President seems to have taken offence where none is meant.
